OPS Level 3 Briefing Note

Incident Number	22-22092

Sector	23
Type of Incident	Threats to Parliament Hill
Location	111 Wellington St
Incident Date and Time	26/01/2022 21:12

Brief Synopsis

Another call was received tonight with a male making threats relating to the Truck Convoy, this time, with reference to Parliament Hill. He stated his name was [REDACTED], and claims in a calm voice that the convoy will commit a "Break and enter" into Parliament Hill, and suggests that barricades should be placed on the Hill in order to prevent this. He also references last year's insurrection on Capitol Hill in Washington. In the

writer's opinion, after listening to sound bites from both nights, it is not the same male. Comms created a file number for this, (#22-22092), and linked it to last nights case. (22-20982). Supt Vandal of the PPS was contacted and advised of the threat. He will in turn notify his intelligence section. No further action taken by FLD at this time.
